

COVID-19 UPDATE (3/25/20)

Ahead of the Pack was informed today that pet grooming will no longer be allowed in the State of New Jersey as a result of the COVID-19 pandemic. Please note that until further notice our grooming services will end today (3/25/20).

Due to the sale of dog and cat food, the retail portion of our business continues to be designated as an “essential business.”

In order to serve our community for its retail needs Ahead of the pack will now have retail store hours on:

Wednesdays 3pm-7pm
Saturdays 11am -3pm

As you are aware, social distancing is imperative at this time. To that end, please recognize the following measures being taken to ensure your safety, the safety of your pets and the safety of our employees.

* If there is another customer in the store, please refrain from entering the store until that individual leaves. If you must come in when there is another customer in the store (due to inclement weather or the like), note that the store is large enough to easily keep minimally six feet away from another individual.

* Note that we are wiping the door handles (both inside and outside) as well as the pin pad, countertop and all surfaces on a very regular basis.

Lastly, if you are in need of dog or cat food and the hours posted above don't work for you, please call the store and leave a message (856-216-7387). We will then try to accommodate you the best we can.

We appreciate your business and thank you for your patience.
